

**GREAT NECK COMMUNITY SCHOOL
ENRICHMENT PROGRAMS FOR SPRING 2012**

We are busily making plans for another exciting semester of Enrichment at Great Neck Community School. Each year our program is further enhanced by our Enrichment program. The focus of the program is to provide your children with the opportunity to explore new topics or to get more deeply immersed in a current hobby or interest.

All our programs will build on learning experiences and will operate on a full school year schedule. Each day of the week will offer choices and will include classes beginning on **Monday, February 6, 2012 and ending on Friday, May 25, 2012 (or later for 2 classes)** There will be no make-up classes in the event of a school closing.

The fees will be in keeping with previous year's pricing (with the addition of more days) based on the needs of each class (materials fee). Payment should **not** accompany the Enrichment Form (next page).

ENRICHMENT FORMS are DUE on Monday, JANUARY 16, 2012!

In January, you can add or change a class for the second session (February 5th —May 25th) and **payment will be due by January 23, 2012.** (Reminders and new sign-up will be sent to all.) This process will enable everyone to change or add classes.

It would not be developmentally appropriate to have an Enrichment Class directly after the 11:45 dismissal because the children will need to have lunch and calmly prepare for another activity. The children who are dismissed at 11:45 may be brought back to school for a 12:45PM or 1:45 P.M. class or stay for our Lunch Bunch program.

All classes will run for 55 minutes (exception is Fun Bus for 45 minutes).

Review new classes added (Gardening and JumpBunch)

Information about the Enrichment Class content and the teachers as well as the Enrollment Form (and program costs) is available on the GNCS website (see Enrichment Link).

We will need to enroll at least 5 children in every Enrichment Class for the Class to take place.

There will be NO CLASSES on Monday, January 30th , Tuesday, January 31st , Wednesday, February 1st (Book Fair) and Friday, March 2nd (Health Fair), Friday, March 23 (parent conferences) and Friday, May 25 (pre-Holiday weekend)

Any questions please email or call the school. We encourage your participation.

Sincerely,

Barbara Breslow, Educational Director
