Dear Families,

Please find below a summary of the Enrichment Classes that will be offered this Fall along with a sign-up form which must be returned to the office to reserve your choices. **Classes start the week of October 4th**, except for Kiddie Soccer and Kindermusik which start on Wed. September 29th. All classes run for 12 weeks except Soccer which will now run for 8 weeks and Kindermusik which will run for 15 weeks.

The focus of the program is to provide your children with the opportunity to explore new topics or to get further immersed in a current hobby or interest. We provide the place and the time to develop relationships, make choices and venture out into new and exciting areas of enrichment.

For Enrichment Class descriptions and teachers please see the "Enrichment" link on our website www.gncommunityschool.org. If you have any questions, please don't hesitate to contact me at school.
