

SUMMER IS FUN-TABULOUS AT GREAT NECK COMMUNITY SCHOOL

Our stimulating summer program is designed to meet the intellectual, physical, social, creative and emotional needs of 3, 4 and 5 year-olds.

Specific Information & Applications being mailed home next week.

The tradition of excellence in early childhood education continues with the Great Neck Community School's highly acclaimed summer program. During the regular school year, our building is brimming with activity. But come summer, our professional, fun-loving staff shifts gears ever so slightly to create an exciting, but easier paced program for your child.

Each week we select a special theme that's carried forward into your child's scope of activities. Everything your child is involved in, including art projects, snacks, music, stories and, when age-appropriate, field trips, will embrace some aspect of that theme. And that's not all. We provide an enriching program that includes sports with Mr. Mike, music with Miss Holli, games, body movement, nature and creative crafts with an objective toward developing your child's self-confidence, independence, and initiative. In addition we have many special guests who help enrich the program. During the summer we are entertained and participate with a drumming experience, a visit by the Long Island Children's Museum, several sing-a-long groups, circus days, pajama days, Olympics and camping out, round out the program. The 5 year-olds in our Pre-K Program will go on one exciting field trip a week. Besides the high quality of our curriculum, many find the warmth and charm of our schoolhouse and grounds good reason for sending their child to GNCS. Inside, we're air-conditioned and have five fully equipped classrooms. Outside, under the shade of giant trees, our gem of a playground is filled with permanent and moveable climbing equipment, playhouses, and picnic tables. With large sheds filled with wagons, balls, pails and shovels, and a "tarp beach" for water play, your child can find joy in discovery while exploring the depths of his or her imagination.

Our Summer Director and Business Administrator will be on hand throughout the summer to ensure the smooth functioning of the program. Your child will be guided by a certified teacher who is trained in CPR and First Aid, as well as qualified assistants.

Our Summer Program is 5 days a week, the 3s & 4s attend 9:30AM to 1:30PM - The 5 year old Pre-K children stay late until 3:00PM on Tuesdays, Wednesdays & Thursdays.

The tuition for the 3s & 4s Summer Program is \$2,775.00 (\$2,650 is the Early Bird Rate effective until January 31, 2012.) The tuition for the Pre-K Summer Program is \$3,375.00 (\$3,250.00 is the Early Bird Rate effective until January 31, 2012)
